## LEGAL FRAMEWORK

*NATIONAL ARMY ACTION PLAN 2017-2020 on SALW/CA,*  
*approved by MoD 2017, adjusted 12.03.2018*

### GENERAL OBJECTIVES:

- **ENHANCING THE MINISTRY OF DEFENCE CHEMICAL ASSESSMENT CAPACITY;**
- **EXPLOSIVE RISK MITIGATION;**
- **PROFESSIONAL CAPACITY DEVELOPMENT OF MoD IN LIFE CYCLE MANAGEMENT OF AMMUNITION;**
- **INTERNATIONAL COOPERATION;**
- **INFORMATION CAMPAIGN ;**
- **IMPLEMENTATION AND DEVELOPMENT OF THE ADR REGULATION AND PROCEDURES**

## LEGAL FRAMEWORK

### NATIONAL LEGISLATION ON PSSM/CASM (2013)

was introduced NEW concepts

- Compressive SALW/CA management
- Risk Reduction Process levels
- Explosive Hazard Classification System and UN Codes
- Physical security
- Quantity Distance
- Glossary of terms, definitions and abbreviations
- Storage
- Special safety precautions

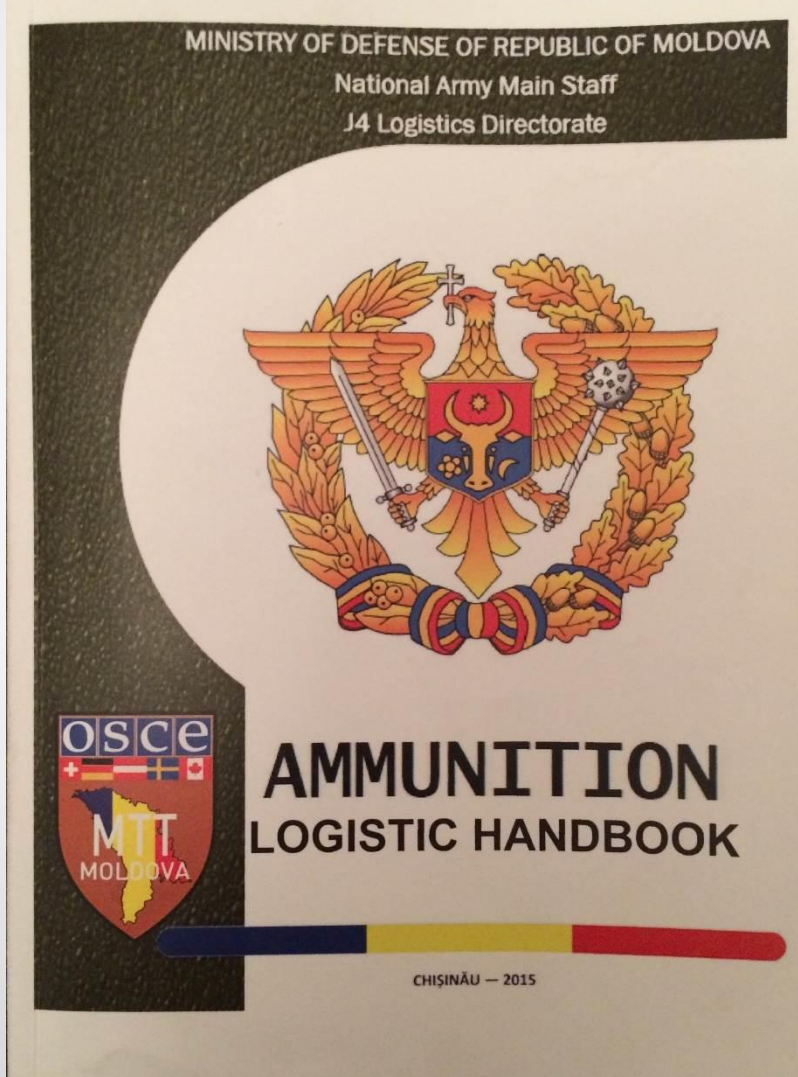

## 10<sup>th</sup> Workshop of the South-East Europe (RASR) of Conventional Weapons and Munitions

### LEGAL FRAMEWORK

### NATIONAL PUBLICATION ON PSSM/CASM (2015)

- General information
- General characteristics
- Package
- Quantity-distance class
- Compatibility group
- UN serial number
- Weight, etc.
- NEQ
- Quantity of boxes per EUR pallet

# 10<sup>th</sup> Workshop of the South-East Europe (RASR) of Conventional Weapons and Munitions

## OUTLINE

- Legal Framework
- Training
- Statistical overview – disposal
- International Cooperation and performed works
- Q@A

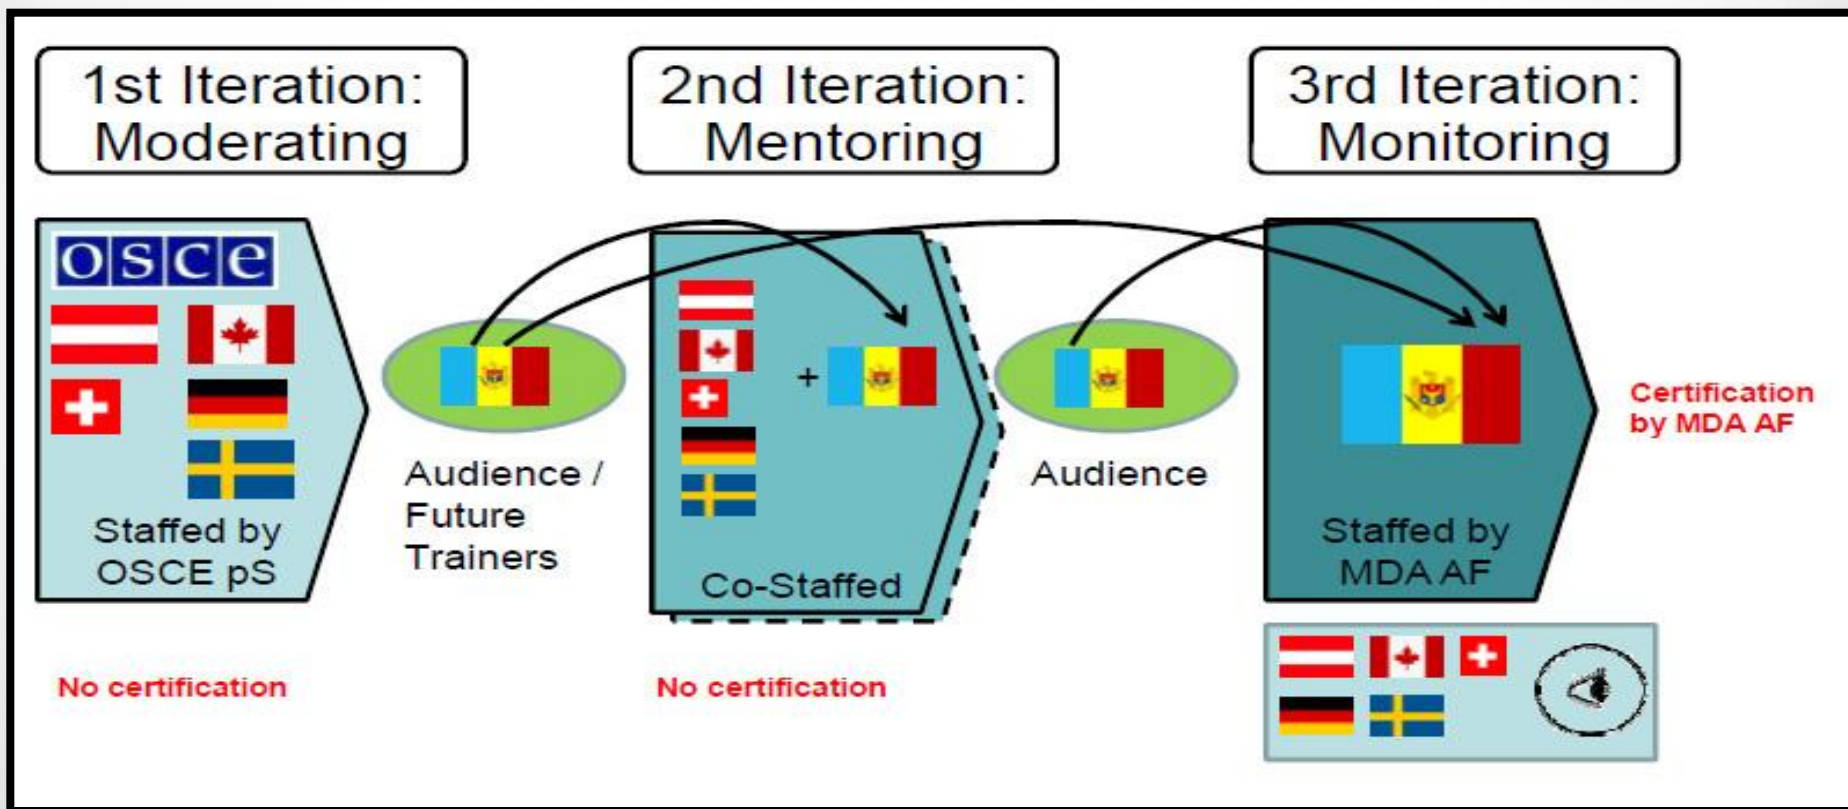

# 10<sup>th</sup> Workshop of the South-East Europe (RASR) of Conventional Weapons and Munitions

## TRAINING

### Training on SALW and SCA stockpile management and security including ADR

### Method:

- 3 M – Moderating/Mentoring/Monitoring
- Multinational Trainer Team (planned)

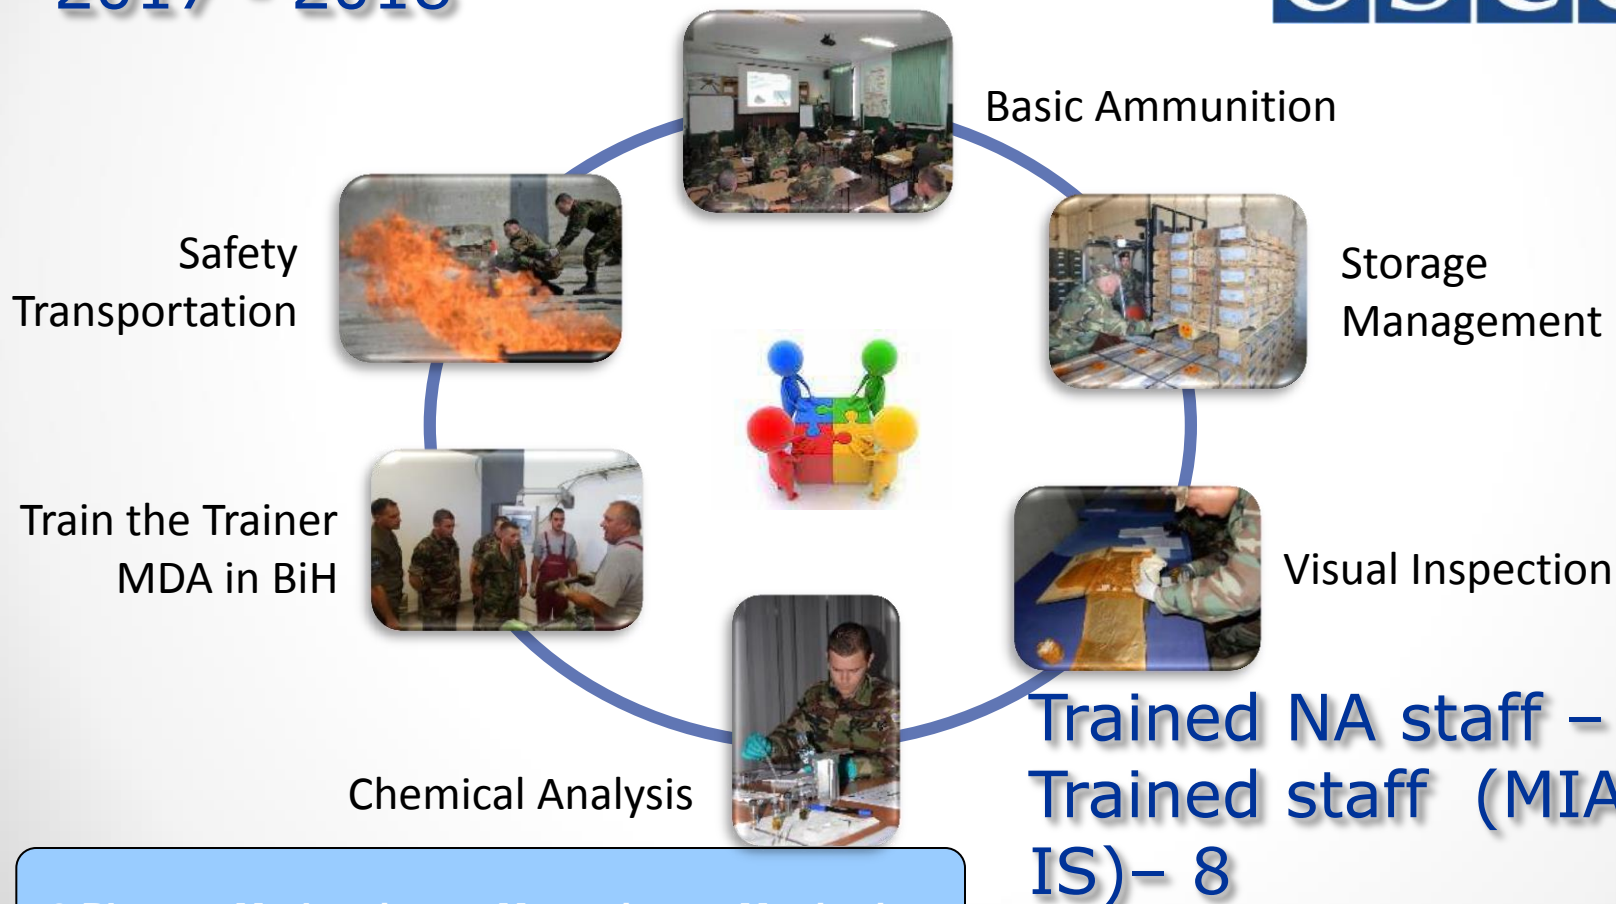

# 10<sup>th</sup> Workshop of the South-East Europe (RASR) of Conventional Weapons and Munitions

## TRAINING

2017 - 2018

3 Phases: Moderating – Mentoring – Monitoring

**Trained NA staff – 48**  
**Trained staff (MIA, MJ, IS) – 8**

# 10<sup>th</sup> Workshop of the South-East Europe (RASR) of Conventional Weapons and Munitions

## TRAINING

- Basic Explosive Limit Licensing, 2018

- EECCA Ammunition Practitioner Training Course, 2018

- Physical Security and Stockpile Management Course, 2018

- Transport Dangerous Goods (TDG) **Driver** Training, 2018, D

- Q@A

# 10<sup>th</sup> Workshop of the South-East Europe (RASR) of Conventional Weapons and Munitions

## INTERNATIONAL COOPERATION

## INTERNATIONAL COOPERATION

### Achievements/Results

- 9 courses on Ammunition Storage Management, Security and Transportation of dangerous goods have been conducted during 2017 – Sept 2018
- 56 students have been trained during 2017 – Sept 2018
- Moldovan National Army Ammunition Technicians Training Centre classrooms have been upgraded and are fully operational.
- Installation of the intruder alarm systems in Chisinau, Cahul, ammo depots.
- Installation of video surveillance system in Chisinau, Cahul.

## INTERNATIONAL COOPERATION

### Future Activities

#### ➤ Support for the implementation

#### *National Army Action Plan 2017-2020 on SALW/CA*

- with:
- Knowledge in the field;
  - Experts;
  - Equipment;
  - Digitalisation of ammunition record keeping system;
  - Training. Development of capacities in Ammunition Life Cycle Management;
  - Development of SoP for SALW and CA;
  - Upgraded the chemical laboratory facilities and equipped to facilitate effective ammunition chemical analysis.

# 10<sup>th</sup> Workshop of the South-East Europe (RASR) of Conventional Weapons and Munitions

## INTERNATIONAL COOPERATION

## INTERNATIONAL COOPERATION

### Achievements/Results

- 1 course, Physical Security and Stockpile Management 12 students have been trained;
- Technical Assessment Ammunition Storage Site.

### Future Activities

- Support for the implementation

#### *National Army Action Plan 2017-2020 on SALW/CA*

- with:
- Technical Assistance;
  - Infrastructure (Fence, paving the surface, etc.);
  - Equipment (electric forklift, a scissor lift, terrain forklift);
  - Training;
  - Personnel protective equipment;

# 10<sup>th</sup> Workshop of the South-East Europe (RASR) of Conventional Weapons and Munitions

## INTERNATIONAL COOPERATION

## INTERNATIONAL COOPERATION

### BILATERAL

### Achievements/Results

- 1 course, Transport Dangerous Goods (TDG) Driver 18 students (drivers) have been trained;

### Future Activities

- Support for the implementation

#### *National Army Action Plan 2017-2020 on SALW/CA*

- with:
- Training;
  - Create and development of the SoP of the transportation of dangerous goods;
  - Implementing supervisor of transportation of dangerous goods;
  - Equipment.

# 10<sup>th</sup> Workshop of the South-East Europe (RASR) of Conventional Weapons and Munitions

## INTERNATIONAL COOPERATION

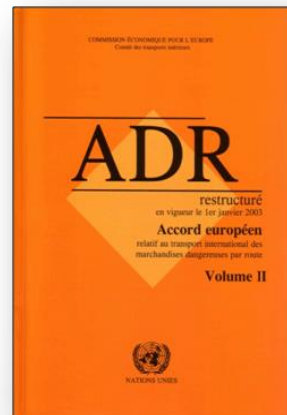

5 trucks with trailers EXII:  
incl.

- Maintenance of trucks and trailers
- Training.

5 electrical forklifts EX :  
incl.

- Maintenance forklift
- Training.

## INTERNATIONAL COOPERATION

### Achievements/Results

- Technical Assessment Mission for Arms and Ammunition ;
- Assessment of Moldovan National Army Strategic CBRN Decontamination Chemical Stock;
- 1 course, Basic Explosive Limit Licensing, 15 students have been trained;

### Future Activities

- Support for the implementation

#### *National Army Action Plan 2017-2020 on SALW/CA*

with: - The construction of protection barricades at Florești, Cahul, Bulboaca Ammunition Storage Area;

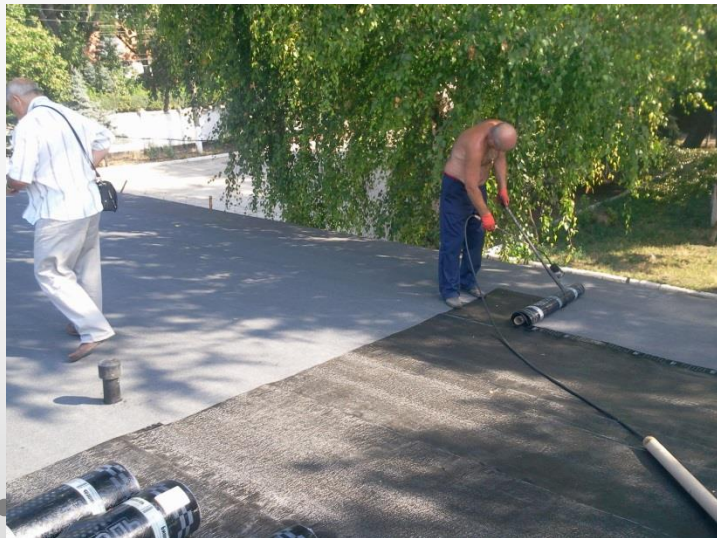

## 10<sup>th</sup> Workshop of the South-East Europe (RASR) of Conventional Weapons and Munitions

### PERFORMED WORKS

- Upgrade of Storage Sites
- The Security of Storage facility
- securing perimeter with metal fence
- with barbed wired top,
- CCTV installation and
- CCTV control room refurbishment

## FUTURE PLANS

- I. Support for 100 % visual inspection of ammunition
- II. Chemical laboratory
- III. Required conditions for storing ammunition
- IV. New storage site
- V. Maintenance/dismantling of ammunition

# 10<sup>th</sup> Workshop of the South-East Europe (RASR) of Conventional Weapons and Munitions

# THANK YOU FOR YOUR ATTENTION QUESTIONS???
