

CENTRE FOR SECURITY COOPERATION

## **NON PAPER**

### **PHYSICAL SECURITY AND STOCKPILE MANAGEMENT WORKSHOP**

*In cooperation with  
The Federal Ministry of Defence and Sports of the Republic of Austria,  
The Bundeswehr Verification Centre (BwVC) of the Federal Republic of Germany,*

**RACVIAC Centre for Security Cooperation, Rakitje, Republic of Croatia**

**18<sup>th</sup> -20<sup>th</sup> February 2014**

### **AGENDA**

*As of 17 January 2014*

The purpose of the Workshop is to elaborate

- Analysis status of education and training
- Regional, sub regional and international experiences from academics, organisations, experts, countries
- Possible Train the Trainer concept (Training Capacities)
- Status Implementation
- International Assistance
- Future approaches and suggestions in methodology to assess national stockpiles, operational procedures and infrastructure, and provide ways for potential improvements to security and management, as well as to introduce best international practices in Physical Security and Stockpile Management (PSSM) with focus on transfer of knowledge and capacity building.

***Target audience:***

Experts in the fields of SALW/CA training and education (including planning)

***The Objectives of this Workshop are:***

- To provide profound experiences to decision makers, managerial and executive authorities;
- To analyse main challenges in stockpile management and find ways and methodologies for improvement.
- To harmonize, streamline and synchronize regional and institutional efforts in PSSM in SEE
- To seek for synergies and avoid duplication and redundancy
- To discuss current education and training models and the creation of proper conditions for the countries to conduct a Train the Trainers Course in SALW/CA subjects.
- To specify the necessary national and regional requirements for the transfer of knowledge, capacity building for implementation of new methodologies focusing on SALW/CA subjects.

***The course Methodology:***

- ***Presentations***
- ***Round Table Discussions***
- ***Conclusions***

The distinguished participants are asked to give presentations on the current status of PSSM in their Institution, Organisation and countries followed by a round table discussion on possible ways ahead of need-based national and/or regional PSSM-Training focussing on transfer of knowledge and regional capacity building.

**Questionnaire for national presentations:**

- Status of national training and education in the field of SALW/CA (focus on PSSM) – system, structure and personnel
- Status of implementation (ammo sites, logistic system)
- Possible offers on regional level
- National challenges and needs
